Phone (217) 373-1590
Fax (217) 373-1591

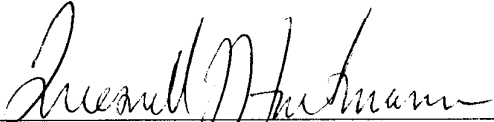

We hereby warrant that all epitaxial semiconductor materials supplied by EpiWorks, Inc. contain less than the allowable threshold amounts of all Level A Banned Substances, per Table 1. This certification does not apply to packaging materials.

Table 1 – Level A Materials and Substances

Substance	Threshold Level	Level
Asbestos	W.I.A. <i>(Note 1)</i>	N.I.A. <i>(Note 2)</i>
Azo colorants	W.I.A.	N.I.A.
Cadmium (Cd) and cadmium compounds	75 ppm or W.I.A.	B.T. <i>(Note 3)</i>
Hexavalent Chromium (Cr VI) and Cr VI compounds	< 1, 000 ppm or W.I.A.	B.T.
Lead (Pb) and lead compounds	< 1, 000 ppm or W.I.A.	B.T.
Mercury (Hg) and mercury compounds	< 1, 000 ppm or W.I.A.	B.T.
Ozone Depleting Substances: Class I	W.I.A.	N.I.A.
Ozone Depleting Substances: Class II HCFCs	< 1,000 ppm	B.T.
Polybrominated biphenyls (PBB)	< 1, 000 ppm or W.I.A.	B.T.
Polybrominated diphenyl ethers (PBDE)	< 1, 000 ppm or W.I.A.	B.T.
Polychlorinated biphenyls (PCB)	W.I.A.	N.I.A.
Polychlorinated Naphthalenes (> 3 chloride atoms)	W.I.A.	N.I.A.
Radioactive substances	W.I.A.	N.I.A.
Shortchain Chlorinated Paraffins	W.I.A.	N.I.A.
Tributyl Tin (TBT); Triphenyl Tin (TPT)	W.I.A.	N.I.A.
Tributyl Tin Oxide (TBTO)	W.I.A.	N.I.A.

Notes: 1) W.I.A. – Where intentionally added; 2) N.I.A. – Not intentionally added; 3) B.T. – Below threshold level or not present in raw material and not intentionally added.

"Intentionally added" means the deliberate use in the formulation of a product or subpart where its continued presence is desired in the final product or subpart to provide a specific characteristic, appearance or quality.
